FINANCES and MARKETS

[Republican A. P. Leased Wire]

NEW YORK, Dec. 4—A sudden accession of strength in the final half hour was the marked feature of today's short session of the stock exchange. Prior to that period the list showed extreme apathy. Total sales only amounted to 224,000 shares.

Specialties constituted the sole feature of the first hour, some of those issues recording sensational gains, while others were reactionary. General Motors made the new maximum of 192 1/2 on its advance of 2 1/2 points, with gains of 2 to almost ten points in other war and semi-war shares, Montana Power, Tobacco and secondary industrials and equipments.

Coppers were a point or more above yesterday, in anticipation of favorable dividend action during the coming week. United States Steel was lethargic at the outset, but hardened at the end. Bethlehem Steel opened down 10 points but closed at 47 1/2, a loss of 5 points. United Fruit was weak throughout declining 6 1/2 to 144 and South Porto Rico Sugar lost 6 at 152.

The bank statement furnished a distinct surprise, an estimated cash gain of considerable proportions being turned into a contraction of almost \$7,000,000.

Railroad returns for the day for October included the great Northern line with a net increase of \$740,000 and the Soo, a Canadian Pacific subsidiary with a gain of \$146,000.

Bonds were irregular with a "future" sale of a small lot of Anglo-French notes at 97, the lowest open rate for this issue. Total sales par value aggregated \$2,500,000.

United States coupon 4 1/2 advanced 1/4 per cent on call during the week.

CHICAGO GRAIN

CHICAGO, Dec. 4—Highest prices yet on the 1915 crop were reached today in the wheat market here as the result of an excited advance. Buying on a huge scale, said to be partly on orders from a foreign government, swept prices upward.
